Dear Student,

We know you are excited. Just a few more days, and you will be enjoying your summer break. Are your plans in place or are you still thinking- what to do? Where to go? How to get the maximum out of the free time?

Now a days, with the click of a button you can extract any information you want from the internet. But isn't that boring? Imagine sitting with friends and planning activities, pulling each other's leg and having cushion fights!

But amidst all fun & frolic, let us not forget World Environment Day (June 5). Our earth is in danger; so are we.

It is the effect of our mindless activities that has raised environmental issues. Each one of us has the power to make a difference. Let us get together and 'Clean up!' Let us reduce pollution and conserve our resources.

Let us begin by taking small impactful steps to make our earth a better place- to keep our earth green and pristine.

Happy Holidays.....

The school will reopen on 3rd July 2017 (Monday).
