Dear Parents

Keeping in mind that some parents are being contacted by individuals claiming to be from Extra Marks, our service provider for Smart Boards, offering services and demanding money in the name of the school, we would like you to note that the school has not shared any data with any company nor have we given permission for such calls or home visits.

The school advise parents to beware of these unsolicited and fraudulent calls. As a preventive measure, a written warning has been sent to the concerned company. The school condemns such calls and solicit your cooperation to report immediately any such calls or visits.

Regards

Principal
