Dear Student,

**YAY, IT'S TIME FOR VACATION,**  
**NO EXAMS, NO TESTS AND NO TUITION,**  
**COME ON FRIENDS, LET'S FORGET ALL THE TENSION,**  
**BECAUSE IT'S TIME FOR VACATION.**

Vacation! What exactly is a vacation? For each one of us it holds a different meaning. While for some it is an opportunity to spend hours together with family, for some others it is the ideal time to read as many books as they can. For many it is the best time to catch up with their sleep. How many of you love to travel? Exploring new places, meeting new people from different cultures and backgrounds and trying different cuisines is an enriching experience. Travelling can be as simple as going to a village close to your house.

How about exploring the city you live in - its history, the various monuments and places of interest? And, don't forget to pen your experience. Also, you need to focus on one more important aspect – how to make our city and our planet a better place for ourselves. It is easy to be wasteful and careless, but if we want a livable environment, we must preserve and conserve our resources. Let's get together and 'Clean Up!'.

Let's celebrate each day as World Environment Day.

***THE SCHOOL WILL REMAIN CLOSED FOR SUMMER VACATION FROM SATURDAY, 19 MAY 2018 TO SUNDAY, 1 JULY 2018. THE SCHOOL WILL REOPEN ON MONDAY, 2 JULY 2018.***
