## Class - IX

### Project Work:

05 Periods (5 Marks)

Every student has to compulsorily undertake one project on Disaster Management (Pertaining to class IX curriculum of Disaster Management only). The project has to be carefully designed so as to -

- Create awareness in learners
- Enable them to understand and co-relate all aspects of Disaster Management
- Relate theory with practice
- Relation of different aspects with life
- Provide hands on experience.

In order to realize the expected objectives completely, it would be required of the Principals / teachers to muster support from various local authorities and organizations like the Disaster Management Authorities, Relief, Rehabilitation and the Disaster Management Departments of the States, Office of the District Magistrate/ Deputy Commissioners, Fire Service, Police, Civil Defense etc. in the area where the schools are located. The teachers must ensure judicious selection of projects by students.

The distribution of marks over different aspects relating to Project Work is as follows:

S.NO.	ASPECTS	MARKS
1.	Content accuracy and originality	1
2.	Presentation and creativity	1
3.	Process of Project Completion : Initiative, cooperativeness, participation and punctuality	1
4.	Viva or written test for content assimilation	2

The project carried out by the students should subsequently be shared among themselves through interactive sessions such as exhibitions, panel discussions, etc. All documents pertaining to assessment under this activity should be meticulously maintained by the concerned schools. A Summary Report should be prepared highlighting:

- o objectives realized through individual or group interactions;
- o calendar of activities;
- o innovative ideas generated in this process ;
- o list of questions asked in viva voce

It is to be noted here by all the teachers and students that the projects and models prepared should be made from eco-friendly products without incurring too much expenditure. The Project Report should be handwritten by the students themselves and comprise of not more than 15 foolscap pages. The record of the project work (internal assessment) should be kept for a period of three months for verification, if any.
