

VIKAS BHARATI PUBLIC SCHOOL
PRE- SCHOOL 1 (SYLLABUS)

OBJECTIVES:-

1. Holistic development – To nurture the overall growth of the child, encompassing physical, emotional, social, and intellectual dimensions.
2. World awareness – To help the child become familiar with the environment and the world around them.
- 3 Values and morals– To instill positive behaviour, constructive attitudes, and essential values for being a responsible citizen.
4. Language comprehension – To strengthen the child’s understanding of simple spoken English through meaningful exposure.
5. Oral fluency – To build confidence and fluency in English through interactive speaking and listening activities.
6. Mathematical readiness – To acquaint the child with basic mathematical concepts relevant to everyday life.
7. Problem-solving skills – To encourage logical thinking, study skills, and independent problem-solving abilities.
8. Creativity and imagination – To inspire the child’s creativity and imagination through exploration and expression.
9. Foundational recognition – To help the child recognize and differentiate letters, numbers, colours, shapes, and other fundamental concepts.

GENERAL INSTRUCTIONS

1. Activity-based learning – Engaging activities ensure a stress-free environment and meaningful learning experiences.
2. Playful and enriching environment – A blend of fun, creativity, and knowledge nurtures curiosity and prepares children for future learning.
3. Structured curriculum – Balanced introduction to pre-reading, pre-writing, number skills, language development, and cognitive awareness.
4. Skill development – Age-appropriate activities strengthen :
 - Analytical reasoning
 - Sequential thinking
 - Problem-solving ability
 - Eye-hand coordination
 - Concentration skills
 - Recognition ability
5. Smart Class integration – Monthly topics are enriched with interactive digital presentations.
6. Parent-teacher partnership – Stay connected with the teacher through the link book and attend all PTM’s as scheduled.
7. Quality family time – Spend daily quality time with your child to nurture curiosity, love for reading, and eagerness to learn.

8. Eduvate resources – Learning material for numeracy, literacy & Ev.S are available on eduvate app. This gives a direct access to the learning resources in school and at home to make learning engaging, transparent & easy to follow for all.
