SECTION – E		
19.	<p>Read the given paragraph and answer the following questions.</p> <p>Meera lives in Greenpur, a hilly village. The villagers were facing difficulties such as poor road connectivity, limited access to healthcare, and frequent landslides during the rainy season. These problems made it hard for children to attend school.</p> <p>A Gram Sabha meeting was organised where villagers, including women and youth, actively participated. They discussed how the poor condition of roads and lack of medical facilities affected their daily lives. The Sarpanch informed the villagers about the funds available under the Gram Panchayat and government schemes.</p> <p>After discussion, it was decided to repair the main road leading to the village health centre as a priority. Villagers also agreed to form a committee to spread awareness about safety measures during the monsoon season. The decisions were recorded and forwarded to the Panchayat Samiti for approval. Over time, the road was improved and a health worker began visiting the village regularly. The villagers understood that collective effort and participation are essential for solving local problems.</p>	
	i) Which meeting was organised to discuss village problems?	1
	ii) Why was repairing the road to the health centre given priority?	1
	iii) How did people's participation help in improving conditions in Greenpur?	2
SECTION - F
