Procedure for School Fee payment Session: 2026-27

Dear Parents,

This is to inform you that we have revised the modes of fee payment with effect from coming session 2026-27. Fees will no longer be accepted through CHEQUE or NEFT transactions.

Instead, all payments must be made through the official online portal. The portal offers multiple convenient options, including debit/credit cards, UPI, net banking, and digital wallets.

We request all parents to kindly use the portal for fee submission to ensure timely and secure transactions. Detailed instructions for accessing and using the portal are as follows:
